

# Trivalent

2020, Rey Alicea, <https://reyaliceagames.wordpress.com/2020/10/22/trivalent/>

## Object

The player with the largest connected group in her color wins.

Group – A group is a set of connected adjacent stones of your color.

## Play

The board starts out empty. Black spots on the board are blocked and cannot be played on.

Blue moves first, turns alternate. The pie rule is used.

Place three stones on three adjacent vertices. One out of the three stones is an opponent's stone. You may not place two like color stones on the same column nor may you place stones on blocked vertices.

The game ends when a player is unable to take her turn.
