

Symmetrion

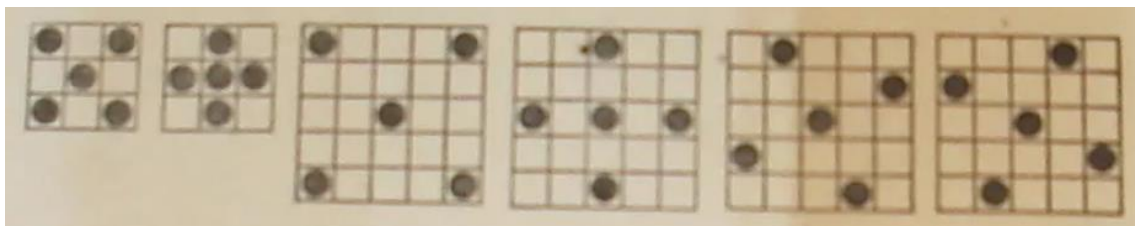

1975, Spear's Games, <https://boardgamegeek.com/boardgame/96998>

The game is played on a 6x6 board,

Each player has five stones.

The first action is to select one of the following patterns:

Initially, each player drops a friendly stone on an empty square.

Afterwards, on his turn, each player moves a friendly stone to an adjacent empty square (either orthogonal or diagonal).

The player that first achieves his pattern wins the game.

The original rules:
